

Junior Finance Specialist

We are looking for a finance enthusiast that has a good command of both Italian and English languages and would like to be part of a big, Italian, team working on financial markets.

DESCRIPTION ACTIVITY

We are looking to consolidate our Finance team as part of the Operations Finanza Organization of Intesa Sanpaolo Group. Within this structure, our new colleagues will have the opportunity to deal with the specialist financial world in the post trading on Foreign Exchange and Derivatives products, managing the entire management chain: middle office, client services, pre settlement and settlement, sectional accounting and reconciliation flows of positions.

The selected candidates will continuously monitor the correct fulfillment by Intesa Sanpaolo of certain regulatory obligations deriving from the operations carried out on markets and financial products.

These obligations mainly concern the reporting of data relating to transactions carried out both on regulated financial markets and in bilateral OTC mode to national, European and non-European supervisory authorities (Consob, ESMA, CFTC, ECB, etc.).

The ideal candidate for this position will possess a number of qualities that will position them to effectively, efficiently and creatively provide financial analysis on post trading activities and be part of highly performing, inclusive culture.

QUALIFICATIONS, SKILLS AND REQUIRED COMPETENCES:

- Bachelor's degree in Economics (with specialization in Banking Sciences or Finance)
- Knowledge of products and main dynamics of financial markets
- Autonomy in the use of PC
- Good knowledge of Microsoft Office package
- Good knowledge of the Italian and English language
- Ability to work as a team
