

CERTIFICATE

Odeillo, November 04th, 2019

To whom it may concern,

I hereby certify that Alexandru PASCU from the Transilvania University of Brasov, Romania, was welcomed as the SolarEl project team member at the PROMES-CNRS laboratory located in Font-Romeu Odeillo (FRANCE) from October 21st to 31st, 2019 in the framework of the Access SFERA-III European project (Grant Agreement N° 823802) funded under the EU Research and Innovation programme Horizon 2020.

The research work of A. PASCU jointly with the project leader Elena Manuela STANCIU from the Transilvania University of Brasov, Romania, was performed in the framework of the SolarEl project (full title: Solar synthesis of functional carbonaceous under constant electric charge, SURPF1904050072). The estimated costs for this user-project are the following:

- The approximate travel and accommodation costs of both project users: 2767.12 €;
- The daily allowance costs: under estimation;
- Two weeks of the Transnational access to CNRS-PROMES “Medium Size Solar Furnaces” (unit estimated costs per facility): under estimation.

Yours sincerely,

Anastasiya Badziaka
