

## Short CV of Gancho Tachev Tachev

1980- master in mathematics at Sofia University "St.St. Kliment Ohrydski"

1992 – PhD thesis "Approximation by algebraic polynomials in  $L_p$  – metric,  $0 < p < 1$ " under supervision of Prof.DSC Kamen Ganchev Ivanov

1992 –assistant in mathematics at University of Architecture, Civil Engineering and Geodesy, UACEG

2004-Assoc. Prof. in mathematics at UACEG

2013- Full Professor in Mathematics at UACEG

Scientific interests: Approximation theory, Positive Linear Operators, Moduli of Smoothness, Inequalities of Polynomials

More than 70 scientific papers, more than 300 citations.

Scientific cooperation with mathematicians from Germany, Romania, Turkey, India etc.
