

PERSONAL INFORMATION

Elena-Manuela STANCIU

 Codlea, Braşov, ROMÂNIA

 elena-manuela.stanciu@unitbv.ro

 <https://orcid.org/0000-0002-8025-4822>

Sex Female | Date of birth | Nationality Romanian

WORK EXPERIENCE

- October 2016 – present

Associate professor (2018 - present), Lecturer (2016 - 2018)
 Transilvania University of Brasov, 29, Eroilor St., Brasov, Romania

 - Department of Materials Engineering and Welding, Faculty of Materials Science and Engineering

Type of business or sector Education, Research and development
- September 2013 – 2016

Researcher grade 3
 SC OPTOELECTRONICA-2001 SA, 409, Atomiştilor St, Măgurele, Ilfov, România

 - Research department „Advanced laser manufacturing laboratory”.

Type of business or sector Research and development
- December 2011– September 2013

Research assistant
 SC OPTOELECTRONICA 2001 SA, 409, Atomiştilor St, Măgurele, Ilfov, România

 - Research department „Advanced laser manufacturing laboratory”.

Type of business or sector Research and development
- June 2008 – August 2008

Engineer
 SC. TEHNOMONTAJ CONSTRUCT SRL, 139, Mihai Bravu St, 105800, Mizil, Prahova, Romania

 - Responsible with welding technology for various welded assemblies;
 - Identifying suppliers and purchase raw materials and supplies for production flow;

Type of business or sector Metal constructions

EDUCATION AND TRAINING

- April 2014 – October 2015

Postdoctoral EQF level 8
 Department of Materials Engineering and Welding, Faculty of Materials Science and Engineering, Transilvania University of Brasov, 29, Eroilor St., Brasov, Romania

 - Fundamental scientific research in the field of laser welding
- October 2008 – September 2011

Doctor of Philosophy in Industrial Engineering Field EQF level 8
 Materials Technology and Welding Department, Engineering and Management of Technological Systems, Politehnica University of Bucharest

 - Laser welding technology;
 - Research on Nd:YAG laser welding of stainless steel thin walled components .
- October 2009 – September 2011

Master of Science in Laser Technology EQF level 7
 E.T.S. de Ingenieros Industriales, Universidad Politécnica de Madrid, SPANIA

 - Laser physics and industrial applications of laser technology;

- Laser welding, cladding and cutting processes

Master of Science in Welding Engineering

EQF level 7

October 2008 –
February 2010

Materials Technology and Welding Department, Engineering and Management of Technological Systems, Politehnica University of Bucharest

- Materials science, conventional and advanced welding technologies.

Bachelor of Science in Engineering, Industrial Engineering, Welding Equipment and Technology specialization

EQF level 6

October 2003 –
June 2008

Materials Technology and Welding Department, Engineering and Management of Technological Systems, Politehnica University of Bucharest

- Materials science, welding techniques, welding equipment, WPS – Welding Procedure Specifications.

PERSONAL SKILLS

Mother tongue(s) Romanian

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Listening	Reading
English	B2	B1	A2	A	B1

Organisational / managerial skills

Participation in the development of national and international scientific projects research;

Job-related skills

- Engineering – Welding engineering and technology;
- Research – member in 15 national and 6 international research grants;
- Design – Welding technology and procedures;
- Competence in the design, welding process selection and operation of welding equipment, automation, robotics and welding process integration in complex manufacturing systems;
- Familiar with complex tasks and multitasking in the industrial production area;

Digital competence

- Hardware knowledge
- Good knowledge of Microsoft Office™ tools (Word™, Excel™, PowerPoint™ and Outlook™)
- Digital image processing - CorelDraw™,
- CAD - AutoCAD

Other skills

- Operator TRUMPH laser equipments;
- Laser welding and cladding;
- Certification in metallographic sample preparation;
- Certification in Entrepreneurial Competence;
- Certification in digital holographic microscopy and operation of Reflection / transmission holographic microscopy;
- Certification in operation of atomic AFM;
- Advanced skills in spectroscopy and LIBS techniques.

Driving licence

Category B vehicle (2004).

INFORMATII SUPLIMENTARE

Publications
Projects
Conferences
Seminars
Honors and awards

Publication of 2 books and more than 20 scientific papers in technical journals;
Member in 15 national research grants and in 6 international projects; Director of 1 SFERA type project (Italy); Member in 1 project FP7-NMP-2012-SME-6 and 1 project EEA-JRP-RO-NO-2013-1. Participation at 6 international conferences in the field of industrial engineering;
Gold medal at the 8th European Exhibition of Creativity and Innovation with handbook entitled Materials Science and Engineering.

Date: 12.12.2020
